Meeting objectives, expected outputs and outcomes

The objective of the meeting is to discuss inputs and experiences from the National Implementing Partners (NIPs) on the use of and collaboration with the I-GO initiative of the GGKP. The presentation will focus on the following aspects:

- Introduction of I-GO
- Challenges of SMEs' resource efficiency
- Opportunities of I-GO introduction in the EaP region
- Collaboration of I-GO and EU4Environment RECP Component

The participants will explore the synergies with the I-GO platform and its relevance to their current and future needs in the Eastern Partnership countries to ensure sustainability of RECP at the national level, as well as the task to ensure knowledge exchange and networking opportunities for relevant experts and SMEs.

Participants

The meeting brings together the RECP Experts and representatives of UNIDO's National Implementing Partners (NIPs) and the UNIDO HQ team within the EU-funded EU4Environment Action to discuss the actual project implementation issues and exchange knowledge on the challenges/share best practices of RECP application at the national, regional and global levels.

Practical Information

The event will be held virtually on 5th April, 2022, from 15:00 to 16:00 Central European Time (CET).

About EU4Environment

The “European Union for Environment” (**EU4Environment**) aims to help the six partner countries: Armenia, Azerbaijan, Belarus, Georgia, the Republic of Moldova, and Ukraine preserve their natural capital and increase people's environmental well-being, by supporting environment-related action, demonstrating and unlocking opportunities for greener growth, and setting mechanisms to better manage environmental risks and impacts.

The Action is funded by the European Union and implemented by five Partner organisations: OECD, UNECE, UNEP, UNIDO and the World Bank based on a budget of some EUR 20 million. The Action implementation period is 2019-2022.
